SAMPLE TERMS

Keystone-friendly wholesale, no minimum theatrics. Opening order from two scenes displayed together.

Seasonal runs; reorders answered in two working days. When a run sells out, it's out until the next one.

COUNTER SUPPORT

POS cards and a staff one-pager per scene, in the box with the first order.

Ten-year guarantee handled by the workshop, never by your counter. Repairs freighted both ways on us.

WHAT WE ASK

A staffed counter: bricks, market stall, or an online shop with a human behind it.

Room for at least two scenes of the range. And you camp. Non-negotiable.
